CORFU | SEATING FEATURES

SUSTAINABLE DESIGN

Corfu is made with recycled materials, with an overall recycled content of 60%. Many of these same materials are also recyclable and Corfu's overall recyclable content is 85%. Corfu is certified under the Greenguard™ emissions standard.

OUTDOOR SEATING

Corfu has been designed for outdoor use, with UV-resistant polypropylene components, a rust-resistant aluminum frame, and the option of drainage holes in the seat. Please specify outdoor usage when ordering.

UNDER SEAT COVER

Each indoor version of Corfu includes an underseat system for stacking: a grey polypropylene seat pan that nests into the seat below and protects it from the frame above. It also provides for easy cleaning and maintenance by covering the underside of the chair. All outdoor versions of Corfu do not include the underseat pan, to allow for drainage, but include stacking bumpers.

WOOD FINISH

Krug's Enduraguard™ finish is a catalyzed conversion varnish topcoat, combined with a vinyl polymer-based sealer, that in independent testing has been shown to have exceptional durability characteristics in its resistance to scratching, marring, and degradation from cleaning materials and other substances.

BEECH PLYWOOD

Wood seats and backs are made with European Beech hardwood veneers, featuring nine (9) plies of cross grain for added strength and durability.

STACKING

Corfu chairs are stackable, to a maximum of 13 chairs for the wood or plastic versions, and 10 chairs for the upholstered version, when stacked on the Corfu caddie. Corfu chairs are stackable to a maximum of 9 chairs for the wood or plastic versions and 6 chairs for the upholstered version when stacked on the floor.

The upholstered versions stack to a height of 74" in the armless version, and 76" with arms. The non-upholstered versions stack to a height of 70" in the armless version and 72" in the version with arms.

CADDIE

The Corfu caddie provides enhanced stackability, along with the ease of movement and storage. Its design allows for the stacking and storage of all Krug stackable chairs. It has a durable tubular construction and 4 soft-wheel swivel, locking casters. This caddie is designed to stack and transport Krug's other stacking chairs.

GANGING

Corfu can be ordered with the option of ganging for the upcharge of \$20 list per chair. Please specify ganging when ordering.

CORFU OFFICE

The Corfu tilter chair features a swivel tilt mechanism that includes a one-handle pneumatic seat height adjustment (range of 4.5"). It is supplied with a five-prong base that can be either Black Plastic or Polished Aluminum.

ALUMINUM FRAME

Corfu seating is built with high strength aluminum castings and extrusions. Aluminum is an ideal material for creating a structurally superior chair frame: it eliminates any potential for corrosion, and provides excellent fit and the tightest of tolerances in the transition between components. Finish options are Silver Metallic Powder Coat, and Polished Aluminum.

PLASTIC COMPONENTS

Polypropylene seats, backs and other components are injection molded, with pigment diffused throughout the mold, and featuring a compound that provides UV resistance to fading and brittleness from exposure to light. Seats and backs have a minimum wall thickness of 5 mm, providing excellent strength and shock resistance.

Corfu (Plastic Seat & Back) is available in six different colors. Please specify a color when ordering.

Color Selection:

White, Black, Grey, Red, Blue, Sand

PACKAGING

Corfu packaging features recycled, recyclable cardboard. The arm and armless chairs are shipped 4 units per carton; Corfu Office is shipped one unit per carton.

OPTIONS

Combination Upholstery Covers

Combination upholstery (more than one upholstery cover within the same unit) is an option on all Corfu upholstered products. Pricing for this option is the grade price for the highest grade upholstery selected. If the upholstery covers are the same grade, or are COM, a 10% upcharge is applied to the graded price.

CAL 133

Corfu Fully Upholstered Seat & Back is available with compliance for flammability code CAL 133 with suitable upholstery cover. Charge is for \$60 list per yard.

ADDITIONAL FEATURES

- Greenguard certified

- Certified to meet CAL 117 with most upholstery covers

Pricing

Krug endeavors to ensure that all prices in this price list reflect accurately our current prices. However, errors do occur and will be rectified through notices to the field. Krug reserves the right to acknowledge pricing that may be different from the price list.

Warranty

Krug warrants the construction and the finish of all our products to be free from defects in materials and workmanship for a period of 10 years from the date of purchase. This warranty does not apply to components not manufactured by Krug including textiles, which are subject to the specific warranties of those manufacturers, if any. Textile (upholstery covers, leather, vinyl, or any other covering material) suppliers do not guarantee their products for durability and color fastness, and nor does Krug. Casters, mechanical and electrical components have a warranty of five years from the date of purchase. The Krug warranty does not apply to COM-specified materials, damage caused by a carrier other than Krug, or variation in wood finishes due to natural wood color variation. Krug cannot be held responsible for variations in upholstery covers dye lots from order to order. All upholstery covers is carefully inspected when it is received, but a degree of variation in color should be expected. Repair or replacement of any defect covered by the Krug warranty will be made at no charge to the original purchaser during the warranty period.

This warranty policy does not apply to defects resulting from negligence, misuse, alteration, improper cleaning, stains or accidents. Krug's judgement will be final in all matters concerning the condition of the furniture, the cause or nature of the defect, and the necessity or manner of repair.

Although Krug ensures the highest quality workmanship in all of its products, Krug does not warranty against normal wear, fading, or damage that has occurred during the life of Krug leather upholstery. All leather pulls with use, especially in soft seating applications. Puddling and stretching is generated by repeated use and is a hallmark of genuine leather and not considered a defect.

Krug is not responsible for the damage or degradation of product that may occur due to extreme hot or cold temperatures after it has left Krug.

Krug product should not be exposed to any extreme hot or cold temperatures during its life. All products should be stored in climate-controlled warehousing and should be transported on climate-controlled trailers and containers, in order to protect its integrity. Trailers and containers should not be used for storage of products. Products should remain in a climate controlled environment until the time that transport commences, and should be moved into a climate-controlled environment as soon as transport is completed. Exposure to extreme heat or cold temperatures voids the Krug warranty.

This warranty applies to products sold in North America only, and is made by Krug only to the original purchasers acquiring our products through authorized Krug dealers, directly from Krug, or from others specifically authorized to sell our products. Exceptions to Krug's 10 year warranty program include Thelma and Louise stacking chairs which have a limited warranty of one year, as well as Capri stacking chairs which have a limited warranty of two years from the date of purchase. Seating products intended for 24 hour usage receive a warranty of 3 years from date of purchase.

Export Packaging

Krug is pleased to provide the option for export packaging on all our products, to provide additional protection from damage.

Export packaging is provided at an upcharge of 5% of the net selling price per item.

Export Packaging is **STRONGLY RECOMMENDED** for:

- (A) all shipments outside of the lower 48 states and Canada
- (B) all shipments that will be held in storage for an extended period prior to installation

Important: Please note that Krug will not be responsible for damage claims on product shipped or stored in the above conditions but where export packaging has not been utilized.

Please contact Customer Service for specifications or any other assistance regarding export packaging.

GENERAL INFORMATION

Freight Terms and Conditions

1. All product is shipped FOB the Krug factory, with freight pre-paid to the destination (dealer's dock or territorial warehouse). Customers must select a standard delivery location for their orders.

2. Docks at the selected delivery location must be equipped to handle a 53' trailer.

3. When a Krug territorial warehouse is selected as the default delivery location, it is understood that Krug pays freight cost to the territorial warehouse only, and no further. The Customer is responsible for all charges from this point.

4. Krug utilizes truck carriers that are dedicated office furniture specialists.

5. For all deliveries, it is understood that Krug or its agent is making a dock delivery only (equipped to handle a 53' trailer), and any further work of truck unloading, delivery beyond the dock, installation, and removal of packaging is not authorized or paid for by Krug.

6. Drop shipments to the installation site, and timed deliveries, are available on larger shipments (full truckloads or slightly less) at no additional charge. Drop shipments or timed deliveries for smaller shipments may not be available, or if available will require a surcharge. Deliveries on an after hours basis, or on weekends, or any other special requirements, may be subject to a surcharge. Location and contact information, and the requested time of delivery, is required at least one week prior to the acknowledged shipment date. If this information is not provided one week in advance, or if the location or time of the drop shipment is changed less than one week in advance, a surcharge may be applied, and/or the drop shipment may not be scheduled.

7. For all deliveries - whether to the Customer location or drop shipment - any circumstances that result in the delay of our carrier (including unsuitable receiving facilities, or facilities not open or available), service charges will be applied at the rate of \$75/hour. Where re-delivery is necessary because of these circumstances, the full cost of re-delivery will be charged.

Testing

All Corfu Guest seating meets or exceeds the testing requirements of ANSI/BIFMA X5.5-1998.

Customer Satisfaction

It is the primary goal of Krug and our staff to ensure the complete satisfaction of our customers with our products and performance. If a problem arises with a Krug product after the expiration of the limited warranty period, Krug will exercise its best efforts to achieve the satisfaction of the customer in a manner that is fair to all concerned.

Damaged Shipments

All Krug product is well engineered, carefully inspected, and expertly loaded onto our trucks at our Distribution Center. If you receive any damaged freight, we ask that you do not refuse the shipment. Krug is not responsible for damage to goods that occurs in transit or storage. It is the purchaser and/or receiver's responsibility to examine the goods upon receipt and to notify Krug of any damages, overages or shortages. Any discrepancies should be noted on the Bill of Lading. The delivering carrier will not accept responsibility for shortages or damages if signed "clear." Notification of concealed damage claims must be made to Krug Distribution within 5 days of delivery, along with digital pictures if available. All product and packaging must be available for inspection. Krug liability ceases after 5 business days and Krug will not be responsible for concealed damages if shipments are left unopened. Krug is not responsible for the condition of product that is stored or installed in an environment where temperature and humidity are not controlled.

Field Product Report Authorization

Krug's written authorization, in the form of an FPR number, must be obtained prior to incurring charges of any kind if Krug is expected to pay these charges. This includes authorization for field repairs and replacements, installation and delivery charges. Krug reserves the right to have its representative inspect product related to any request for such authorizations, prior to that authorization being provided. Deductions from invoices paid for any charges to Krug, without prior written authorization in the form of an FPR, will not be accepted. Digital photographs may be required to complete the FPR process.

Returns

No merchandise may be returned without Krug's prior written consent. In the event of an authorized return, a Field Product Report (FPR) number will be issued, and a restocking charge will apply. Return transportation charges must be prepaid. Unauthorized returns will not be accepted and will be returned freight collect. All merchandise being returned must be properly packaged in its original or comparable replacement packaging to ensure protection of the product during handling and transportation. Returns on orders duplicated by the customer must be received in their original packaging to be accepted. Product being returned where Krug has authorized its liability for replacement or repair will be thoroughly inspected on its return, and the results compared to the reason for the return stated on the FPR. Any discrepancies, such as additional damage, signs of usage, missing parts, etc., will result in an adjustment to the amount of credit issued.

Care and Maintenance Wood Finishes

Although Krug's extensive finishing process ensures a durable finish on all our products, there are several steps that can be taken to protect and prolong the life and beauty of the finish. Dust only with a clean, dry cloth, going with the grain. Clean any marks with a damp cloth, using a small quantity of mild soap or detergent.

Do not use any wax-based polish, spray or silicone. Eventually, a film will build up and discolor the top. Do not place your furniture in a position of permanent exposure to direct sunlight.

Leather

Leather is a natural product and requires very little care during use. Most stains can be removed with a clean dry cloth. For stubborn spots and stains, use a mild non-detergent cleaner, rinse well and let air dry naturally. Do not use saddle soap, cleaning solvents, furniture polish, oils, varnish, abrasive cleaners, soaps or ammonia waters.

Upholstery Covers

Professional upholstery cleaning is recommended.

WOOD FINISHES

Wood Finishes for Seating

Standard wood finishes are:

- Finishes on Beech
- Appalachian Cherry
- American Cherry
- Imperial Cherry
- Medium Cherry
- Natural Cherry
- Standard Cherry
- Light Oak
- Harvest Oak
- Mahogany
- Mellow Oak
- Espresso
- Regular Walnut
- Dark Walnut
- Clear Beech
- Medium Anigre

Natural Characteristics of Wood

Wood is a natural product with inherent color variations that will never be fully mitigated by the finishing process. Please anticipate variation in colors within a single unit, from piece to piece, and from Krug wood finish samples. If a very close match is required, a sample must be provided with the order and an upcharge will apply. Exact color matches are not possible.

Custom Wood Finishes

Add 10% list to your order for special finishes, minimum upcharge is \$500 list per finish per order. (For example, on all orders up to \$5000 list an upcharge of \$500 will apply, on orders \$5000 and up add 10% list to order.) Special finish upcharges on seating products are calculated on a grade 1 value. For orders with special finishes, a sample that is a minimum 3" by 3" must be received with the order. Special finishes may add additional lead time to production schedules. Since wood is a natural product, some variations in grain, color and stain acceptance will occur. In our finishing processes, we try to minimize variations, but some variation between samples and finished goods should be anticipated.

Dual Finishes

Add 10% list per item if specifying dual finish.

Standard Wood Finishes

No upcharge will be applied when specifying a finish available as standard on one species onto maple seating and occasional tables. Clear finishes are not available on other species since they are a clear finish on top of the natural veneer color.

GREENGUARD

All Krug Seating products have earned the GREENGUARD Environmental Institute's GREENGUARD Certification for low emitting interior products. All GREENGUARD Certified products and materials are tested regularly to ensure continued low emitting status.

Specifying and design professionals can trust GREENGUARD Certified products to create superior interior environments with out added cost or effort. All GREENGUARD Certified products can easily be found online in the GREENGUARD Product Guide. A printable certificate is available for each product in the guide to simplify project submission and product verification.

CUSTOMER'S OWN MATERIAL - C.O.M.

Customer's Own Material (COM)

COM must be received three weeks prior to the acknowledged ship date.

Orders with COM not received by the required deadline will be delayed.

A description of the upholstery covers, including supplier name, pattern name, upholstery covers name and color number must be included with the purchase order.

COM testing requires 3 business days and samples are to be directed to Customer Service. The customer has the option of providing the sample COM before, at time of order, or once the sample COM is received. If the customer does not send a sample for approval in advance of sending actual material, Krug will not be responsible for the cost of any upholstery covers or other material that it determines to be unsuitable for the product or our process.

When the COM upholstery cover is received at Krug, it must be clearly identified with the upholstery cover name and color, and tagged with name of the Krug customer and purchase order number. Krug will inspect all COM upholstery cover when received to determine if it will be suitable for upholstery. Where Krug feels that the upholstery covers or leather specified will compromise the quality or integrity of our products, customers will be contacted to direct these concerns. Further, Krug reserves the right to refuse to accept and use any COM upholstery covers or leathers that will compromise our products in any way that is unacceptable to Krug. Krug cannot assume responsibility for the durability or tailoring quality of customer's own material.

Yardage specified in this price guide is approximate. In the case of multiple product orders, multiply the number of items by the COM yardage specified to determine upholstery covers required, unless otherwise indicated. Additional yardage may be needed if the material is less than 54" wide, or patterned or striped and requires matching. All COMs are cut "up the roll" unless otherwise stated by the customer. All striped upholstery covers will be applied vertically unless otherwise stated by the customer and after approval by Krug. Krug will not be responsible for directional or positional problems with its application of COM material, unless it has been provided with explicit instructions by the customer. Special instructions should be sent to Krug Customer Service,

including a sample (or photocopy) of the upholstery covers. Krug is not responsible for instructions sent with the upholstery cover rolls, or for the method of upholstery if no instructions have been provided. Price increases and freight charges to COM acquired on the customer's behalf will be passed onto the customer.

Application of Directional Upholstery covers

Some COM upholstery covers will be considered directional by Krug even though they are not considered directional by the supplier. All COMs are automatically cut "up the roll" unless otherwise stated by the customer (please see below).

Standard-Cut
"up the roll"

Non-Standard-Cut
across the roll
"railroad"

COM Shipping Procedures

For seating COM upholstery covers, please send upholstery covers to:
Krug Inc.
111 Ahrens Street
Kitchener, Ontario
Canada N2H 4C2
Attention: RECEIVER

COM orders cannot be scheduled into production until the upholstery cover has arrived and inspection is complete.

All packages must be clearly marked "For Customs Clearance by Russell A. Farrow Custom Brokers".

According to the North American Free Trade Agreement (NAFTA), goods shipped between the United States and Canada can qualify for exemption from all duties, or for a reduction in duties, if the goods can be proven to originate in either the United States, Canada or Mexico.

Canada Customs requires that a NAFTA Certificate of Origin and a Commercial Invoice be completed and sent with the upholstery cover shipment. The Commercial Invoice must clearly state the description of the upholstery cover, the selling price, the make-up or content, and the purchaser. The absence of these two documents will delay the

shipments at the U.S./Canada border, thereby potentially delaying the customer order. If the total value of the shipment is less than \$1200 U.S., Customs will accept a Low Value Statement of Origin in place of the NAFTA Certificate of Origin. The Low Value Statement must be signed by a representative of the exporting company. This statement may either be included on the commercial invoice or attached to the invoice.

Krug is happy to answer any questions or concerns about COM shipping procedures and the required documents. Please contact our Customs Specialist at 1.888.578.5784.

CAL 133

California Technical Bulletin 133 is a flammability test. Jordan Seating and many Krug products, in combination with non-flammable upholstery cover can be manufactured to meet the requirements for certification to this test. A double upholstery method is used, incorporating a fire-retardant barrier that, in combination with fire retardant foam, fire retardants in wood finishes, and upholstery covers with some natural fiber content, may pass the CAL 133 fire test.

An upcharge of \$60 list per yard of upholstery is applicable to incorporate the elements listed above.

The application of this upcharge and the materials noted does not certify that the specific configuration of product and upholstery is tested and officially certified. If actual certification is required, a charge of \$500, plus the cost of the product to be tested, is applicable. The testing process requires at least several weeks of additional lead time.

Krug assumes no responsibility for composite testing or the certification of specific configurations of product and upholstery to the CAL 133 flammability test. Some specific configurations of product and upholstery have been tested. Please contact Customer Service for more information.

C.O.L. Yardage

To calculate C.O.L. yardage required, please use the following conversions based on COM yardage:

Leather must be ordered in square footage.

- 17 square feet in a yard
- Approx. 3 yards in a hide
- Approx. 51 square feet in a hide
- Please use grade 3 pricing for COL

CUSTOMER'S OWN MATERIAL - C.O.M.

Upholstery Cover Yardage Calculation

To calculate yardage required for COM and other non-standard upholstery covers orders, please contact Krug Customer Service at 1.888.578.5784.

Unless otherwise stated, upholstery cover rolls are assumed to be a minimum 54" wide. Please use the guide below to calculate the percentage of extra upholstery cover required to cover large repeats.

The repeat is calculated by adding both the vertical and horizontal measurements together and then referring to the chart below for extra yardage required.

MAHARAM & MOMENTUM UPHOLSTERY COVERS

Krug has co-operative programs with Maharam and Momentum Upholstery covers, designed to provide a wide range of upholstery cover selections for our seating and tackboard products.

When placing an order, a Krug customer must specify the complete Maharam or Momentum upholstery cover number, along with the appropriate Krug model number and finish. Krug will supply the complete product at the prices listed. Orders specifying Maharam or Momentum upholstery covers cannot be cancelled once the upholstery cover has been ordered.

Upholstery Cover Grades

To determine the price of a product in Maharam or Momentum upholstery cover, use the reference lists on pages 8-9 to reference the upholstery covers grade (1-9).

Please contact Customer Service for information on upholstery covers not listed. When two upholstery covers are specified for use on seating, the higher grade upholstery cover price will apply to the order.

Upholstery Cover Samples

If you require additional samples or memos for presentation, please contact Maharam during business hours at: 1-800-7-SAMPLE (1.800.772.6753) in Canada and in the United States, or Momentum at 1-800-366-6839.

Flammability Standards

PROGRAM DETAILS

KrugExpress orders are ready to ship by the date acknowledged. Delivery and shipping schedules may result in actual shipping of orders at a later date. Statutory holidays and scheduled factory vacations may add to acknowledged lead times of *KrugExpress* orders. Unless otherwise specified on the order, the customer's standard method of shipping Krug products will be utilized.

Available factory capacity for *KrugExpress* is filled by orders received on a "first come, first serve" basis. If the normal *KrugExpress* lead time is not available for your order because available capacity has been filled, you will be immediately advised of the earliest available ready-to-ship date. Please consult your Customer Service representative in advance if you wish to confirm the specific lead time availability for a *KrugExpress* order.

Orders must be received by midnight of a given day for that day to be considered the official day the order is received. Order lead times are acknowledged from the date the order is received, but not including the date the order is received.

KrugExpress orders must be "clean" when received in order to be considered officially received on a given day, and lead times will be acknowledged from the date orders are determined to be "clean".

Changes to *KrugExpress* orders are not allowed under any circumstances.

Orders for product on *KrugExpress* must clearly state: "*KrugExpress*".

Maharam and Momentum are available on *KrugExpress*. *Some conditions apply.

SEATING & OCCASIONAL TABLES PROGRAM

Orders for seating products on the *KrugExpress* program may be subject to quantity maximums. Please contact Krug Customer Service for more information.

Quantity maximums are dependent upon available capacity, in order to insure that we ship all orders on time.

Only standard wood finishes are available for *KrugExpress* orders. Laminates are not available on *KrugExpress*.

KrugExpress includes all Krug seating and occasional tables as well as Krug conference and casegoods products to complement this seating offering.

The *KrugExpress* logo at the top of a price guide page indicates that the items on the page are available on *KrugExpress*, unless noted otherwise.
