FLAIR

Our FLAIR multitask chair adds a touch of ergonomic and elegance to any workstation or conference space. Whether you opt for the mesh back or our simple or signature upholstered version, you can count on Flair's outstanding lumbar support, its ingeniously designed angled shape that frees your arms for lateral movements, and above all, the quality of its construction and variety of fabrics available. Its slim, sleek look, impeccable finish and top-grade materials make it the perfect choice for any workspace.
